## Progressive Ag Center, LLC

**NEED EXTRA CASH  
We can help you with that...**

All American Co-op Progressive Ag Center is looking for Hard Workers that want to make some extra income, helping farmers get their crop planted this spring.

We have several Seasonal positions available at all three of our agronomy locations in Plainview, Stewartville, and St Charles.

We are looking for Truck Drivers, Skid Loader/ Forklift Operators, Loading Dock, Customer Service, and Yard Workers

Starting wage is based on experience and licensing, typically well above minimum wage, with opportunities for OT pay.

Flexible scheduling is possible.

These positions are perfect for retired farmers, construction workers, or other individuals that have experience operating large equipment such as skid loaders and construction equipment, tractors and other farm equipment, large trucks, or delivery vehicles.

Also, a great opportunity for those that who work rotating schedules such as fireman, police officers, or security guards who are looking to fill their days off in the spring.

Eligible individuals must have a valid driver's license, preference towards a CDL, or those that have special endorsements such as tanker, hazardous materials, or air brakes.
